## MILLER ENGINE DRIVEN UNITS - COMPRESSOR

### COMPRESSOR OILS

**NOTE: The compressor oils listed in this service bulletin are considered suitable for the rotary screw compressor fitted to the Miller Big Blue Airpak and Miller Big Blue 800X Duo Airpak operating within Australian conditions. The oils can be used for both replacement and replenishment of the compressor within the guidelines of the relevant Miller owners' manual.**

The Miller Big Blue Airpak and Miller Big Blue 800X Duo Airpak have a rotary screw compressor within the system. These compressors are subject to servicing requirements, meaning oil replacement or replenishment.

Due to issues with product availability, the below items are advised for use within Australia.

<b>Miller Recommended Products</b>	Ingersol Rand Ultracoolant 39153415
	Ingersol Rand Primecoll 38472999
	MILSPEC MIL-PRF 2104G SAE 10W
<b>Miller Recommended Alternative for use in Australia/NZ</b>	Caltex Regal R&O 32
	Shell Corena S (either 2, 3, or 4) 32 R
	Shell Corena S (either 2, 3, or 4) 46 R

Compressor oil is not available through the WIA supply network and should be sourced from external parties.
